

Instructions for Wheelers eBooks

Borrowing items via the App:

1. Download *ePlatform by Wheelers* from your mobile device's app store
2. Select *Big Sky Libraries* from the list of libraries
3. Create your account using your Big Sky Libraries card (starts with 'P' followed by two zeros) and default password (year of birth), or select sign in
4. Browse by searching for titles or by categories of interest
5. Tap *Borrow* or *Reserve* to loan an item, *Read* to download the book and start reading, or *Return* to remove it from your device

Borrowing items via the Website:

1. Visit <https://bigsky.wheelers.co/>
2. Click *sign in* and use your Big Sky Libraries card for your ID (starts with 'P' followed by two zeros). The default password will be your four-digit year of birth (you can change this after registering).
3. Browse by searching for titles or by categories of interest
4. Click *Read* to read while connected to the internet or *Download* to download to your computer - you will need Adobe Digital Editions to read on you computer, for more information on this visit <https://bigsky.wheelers.co/help/apps>

Borrowing limits:

- You may borrow 4 eBooks at one time
- Your loan period is 4 weeks
- Items automatically expire at the end of the loan period or they can be manually returned early
