

## Stream movies using your Big Sky Library Membership!

### Here's how it works:

#### Play up to 10 films per month

Big Sky Libraries provides its members with 10 play credits every month.

#### 3 days to watch each film

Once you press play on a film, you have 3 days to view it as many times as you like without using another play credit.

#### Play credits reset on the 1st of the month

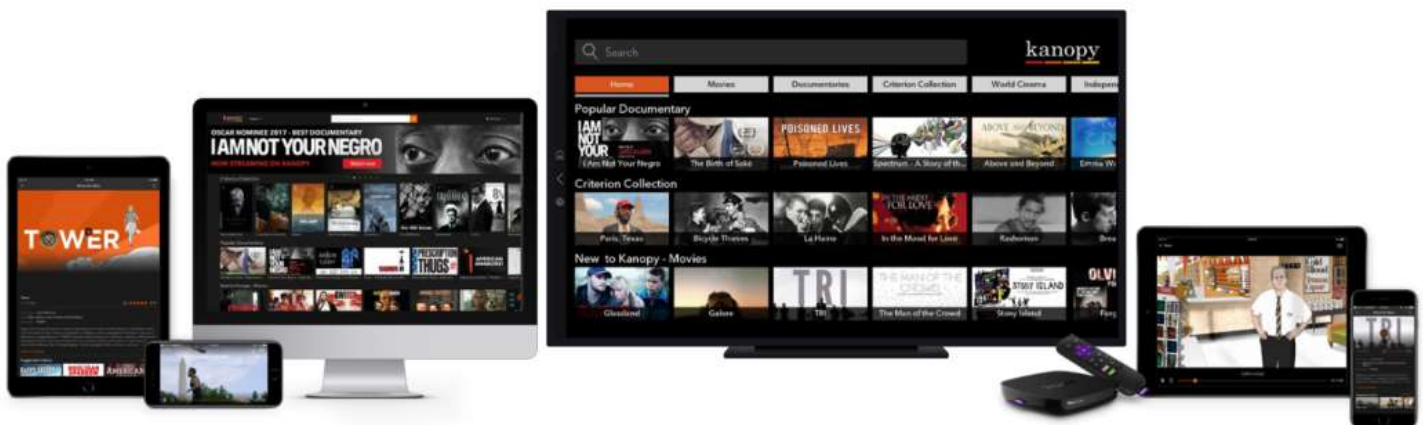

Once you have reached your quota of films, you will not be able to play any films until the new month starts when you will be given a fresh quota of 10 play credits again.

#### Any device

You can access Kanopy from any device, including iOS, Android, Apple TV, Roku, Chromecast, and many more!
