# How to find State Library eResources

Go to our eLibrary page, select "State Library eResources", and then follow the link to login using your Big Sky Libraries card number

1. **Browse by subject using the toolbar on the left side of the eResources page**

2. **Alternatively, from the same toolbar, conduct a Database title search by typing in the name of the eResource you're looking for; e.g. "Times Digital Archive"**

3.

Use the catalogue search box to search titles or keyword terms to find eBooks and full text articles

Search our catalogue for:

Full-text articles

Enter terms for full-text articles

Ebooks

Enter terms for ebooks

You can go directly to Ebook Central. You will need to log in first.

4.

Filter your searches by access type; e.g. "publicly available"

ACCESS TYPE

☑ In the Library, or anywhere with a Library card

☑ Only in the Library

☑ Publicly Available

If you need further assistance using the State Library of New South Wales eResources please contact your local Big Sky Libraries branch
